WORK EXPERIENCE

Assistant Farm Director, Social Media Manager

WRAM, WMOI Radio Stations

April 2023-Current

- Cover local agriculture news/ events for western Illinois. Host a live ag news radio show on WRAM radio and keep the station website up to date with agricultural-related stories.
- Manage social media accounts; Facebook, Instagram, Twitter, and Youtube
- Shoot and do light video editing for the Youtube channel to be shared on the website and with station clients
- Host an Afternoon Drive on-air show on WMOI and a Drive at Five show on WRAM radio station.

Farm Director

Townsquare Media

January 2022-March 2023

- Plan and create daily digital and on-air local agriculture content.
- Website publication of news and digital content with a basic SEO package.
- Manager of the radio station's Facebook page.
- Wrote digital content reaching 200,000 or more Google Analytics Local Page Views per month.

Interim News Director, Agriculture Reporter, Producer, Weekend Host

Utah Public Radio

September 2019- December 2021

- Lead a team of ten interns to coordinate and execute the daily news program.
- I work closely with other supervisors to maintain communication throughout the station through the execution of daily news programs.
- I gather news stories relating to agriculture and policy and prepare them to air statewide and for our website.
- I coordinate with Utah State University Extensions to produce educational segments on the weekends.
- Local on-air host of the NPR Sunday morning program.

Radio Reporter

National FFA Convention Newsroom

2021 National FFA Convention

- Worked on a team to interview and edit stories from the National FFA convention. Interviews were broadcasted from National Association of Farm Broadcasters Association member stations across the United States.

Social Media Corps

National Association Of Farm Broadcasters

2019 & 2020 NAFB Convention

- Worked on a team to provide live social media coverage of the NAFB convention through Facebook, Instagram, and Twitter
